OpenRouter models with batch inference support

Snapshot 2026-10-31 (UTC) from `https://openrouter.ai/api/v1/models`: every model with a `:batch` id (71 models), sorted newest to oldest by the date OpenRouter first listed the model (`created`; the `:batch` id carries the same date, so this is not when batch support arrived). Prices are US$ per million tokens, base tier (input / output). Providers from `/api/v1/models/{id}/endpoints`. Submit batches with the model slug shown. Prices change often: re-check before relying on them.
